Mrs. Clyde Black Shivers,
Dublin, Ga.

Dear Clyde;

I have your letter of Jan. 29th. and note same very carefully. You will not be able to get into the D.A.R's on the Collier lineage as Vines Collier, our original ancestor that came from Virginia to Georgia, fought in a previous war before the Revolution but was either too old or had been wounded in the earlier wars. He had two brothers that were officers in the Continental Army under Lawrence Washington but they would not do you any good.

In completing my Collier genealogy which goes back for about five hundred years I would like to get your Mother's death date. I have her birth date. Could you send that to me?

In addressing your letter you addressed it to me as if I were a stranger, you should not do this as before you get very old you will need all the kin folks possible. Give your Father my very best regards and good wishes, tell him to come to see us this spring, likewise yourself and the other members of the family.

With my very best regards and love to all of the family I beg to remain

Most sincerely,
